ERGA OMNES DECREES

Here by this **PROJECTION OF I AM ricardo daniel of the descendance larrauri peña:**

That the Homo Vivo, flesh, bones and blood, Self-determined, has PRE-LEGAL and PRE-STATE status and exists outside and above the statutory, commercial, maritime and canonical jurisdictions. That a man, or a woman, born alive, is legitimately free, lives naturally in his/her body, possesses all his/her inalienable rights and powers, and has legitimacy in the Jurisdiction of the Universal Law, Natural Law and Common Law, these being the ones of maximum validity and ordinance.

That a Homo Vivo, Integrated Consciousness One and Triune in Soul-Spirit-Mind, ante-corporis, pre-legal, pre-state, it is outside the law of society by definition, outside of any and all rules created by the government/corporation. A Homo Vivo is Sovereign and Free Ad Aeternum.

That a Homo Vivo does not accept or will accept jurisdictions lower than NATURAL LAW, nor the obligation or responsibility for the mandatory benefits of each and every one of the hidden contracts and agreements, including all commercial agreements or bankruptcies, coercion, rules, codes or corporations seized, legally canceled and under the crime of fraud and laying in slavery the inhabitants of this terrestrial plane; Nunc pro tunc, praeterea preterea.

Legal jurisdiction over a living, free, and self-determined man/woman derives from consent to contract from the legal fiction. No Homo Vivo that has confirmed its position under the jurisdiction of Natural Law is subject to legal control, until such time in which the State/Government/Corporation can confirm that they have established a claim higher than that of the Natural Law.
If there is no valid contract and no consent, there is no jurisdiction. The jurisdiction, once challenged, must be proven by the party attempting to assert jurisdiction, the jurisdiction can be challenged at any time.

Legales rem potest procedere sine iurisdictione / No legal matter can proceed without jurisdiction.

It is not for glory, nor for riches, nor for honors that I stand TALL, but for FREEDOM. I will never be subject to any mandatory rules of any legal system as long as I remain ALIVE.
I AM THE ONE WHO IS.
I AM ETERNAL ESSENCE.
I AM THE RESURRECTION AND THE LIFE.

'In perpetuum et salvis juribus - Fiat justitia ruat caelum salvis juribus'

'Eternally protected rights - May Justice be done and rights safeguarded, even if the sky shall fall'
